**Robert Friedrich,**  
Technical Manager, EDRO

## RoyAlloy™ Provides Superior Value

"As a leading international moldmaker, we use and specify only the best in tooling materials.

After extensive testing and evaluation, we now choose RoyAlloy™ from EDRO over all other stainless holder steels for mold base applications.

RoyAlloy™ provides superior value - helping us to lower our total production costs and build the best tooling possible."

Rainer Armbruster  
CEO  
FOBOHA GmbH Formenbau  
Haslach, Germany

RoyAlloy™ Stainless is covered under Patents 6,045,633 and 6,358,334
